IMPORTANT NOTES

*All students should have an IR book with them all day

*Study Hall - should be absolutely silent. Students are highly encouraged to study for the next day's exam...but can silently read a book.

If you miss an exam, follow these procedures:

Exam day absent	Make-up day
Wednesday Exams	On Thursday, YOU MUST let all teachers know that you will be making up an exam by 12:30PM, so they know to stay and proctor your exam. You will then go to your teachers to make up the exams that you missed in the order they occurred the day before.
Thursday Exams	On Friday, YOU MUST let all teachers know that you will be making up an exam by 12:30, so they know to stay and proctor your exam. You will then go to your teachers to make up the exams that you missed in the order they occurred the day before.
Friday Exams	If you miss an exam on Friday (or Thursday for seniors), you must contact Mr. Kruger via email to schedule a make-up date by the end of the day on Friday.

It is the student's responsibility to make-up an exam that is missed. You must go to your teacher.

Failure to make-up any missed exams will result in a "0" in the gradebook.
