Bulls Prep Family,

2020 will be a year that is marked in the history books. It was not the school year we expected or planned for but I'm proud of the way our staff and students responded to the challenge. Congratulations on bringing the School Year 19/20 to a close! Here is the final community update for this school year (we will provide updates as needed throughout the summer but I won't be sending out the weekly updates).

Remote Learning Updates: To wrap up the school year and Q4, I'm sharing our grade level student of the quarter videos. Please enjoy the celebrations of these incredible students!

Student Item Pickup (Optional): The Noble Network has provided guidance as to when and how students can come to campus to retrieve items from lockers. While we look forward to a time when we can return to campus altogether, we continue to live in different times. The health and safety of students and staff is our top priority. Out of an abundance of caution, students will not enter the school to pick up belongings. Instead, locker items will be bagged by staff and given to students during a scheduled pickup window. Please carefully review the information and schedule [here](#).

June RCPU: Our goal is to speak with 100% of our families by 6/16 for Report Card Pick-up. Advisors will discuss end of year progress for Remote Learning as well as discuss options for remote summer school. We are offering remote learning-based Summer School to provide the opportunity for a) first semester credit recovery and b) second semester credit continuation (grade improvement). Report cards will also be emailed to families and students between 6/14 and 6/16 after the semester is complete.

Final Senior Graduation Details: Seniors will receive an email by the end of the day tomorrow with final details for graduation, including the addition of a Pre-Graduation Parade on Saturday, June 20th. Make sure your calendars are marked for the following events:

- Pre-Graduation Parade - Saturday 6/20/20 @ 10 am
- Virtual Graduation Ceremony - Sunday 6/21/20 @ 3pm

I'm as grateful as ever for the Bulls Prep Community. Stay safe this summer. Don't hesitate to reach out if you need anything. While you won't hear from me weekly, we'll definitely keep you posted with updates as we have them throughout the summer on our planning for next year.

We are Bulls Prep.
