

## Scholarship Fund - Employer Donation Matching

Your employer may offer a **matching gift program** that can double your gift! Matching gift programs are a form of corporate philanthropy where businesses match the donations their employees make to charitable organizations.

Taking steps to get your gifts matched is a simple process.

**Step 1:** Contact your employer's Corporate Social Responsibility or Human Resources to see if they offer a matching gift program to increase your donation.

**Step 2:** That contact will point you in the right direction and let you know if you need to fill out any necessary forms and be aware of submission deadlines.

**Step 3:** Once you have submitted your matching gift request form or if you have any questions about the process, please contact Sandy Tran, Senior Grant Writer, at [stran@nobleschools.org](mailto:stran@nobleschools.org).

We appreciate your support tremendously. You are the reason we are able to support Noble alumni in college!
